Mission work is hard and encourages you to give of your whole self, allowing Christ to work through you. The 2018 Teen Mission Trip is an opportunity for you to visit our sister parish in Sainte Suzanne, Haiti. Our mission trip is to serve the people and the church in whatever way we can without damaging their community or culture in any way. During the trip we hope to partner with the people, building relationships that recognize the gifts and strength of each community, theirs and ours, and to preserve the dignity of the people that we encounter.

About Sainte Suzanne, Haiti

Sainte Suzanne, Haiti is a rural mountain community in the northeast region. Its population is over 25,000 people. Sainte Suzanne Parish Church was established in August 1779. Recently, the church celebrated its 237th anniversary. Since opening, Sainte Suzanne has added four smaller chapels that serve surrounding communities in Bois Blanc, Cotelette, Foulon, and Sarazin. The Diocese of Fort-Liberte was created to serve the churches in the northeast Region of Haiti in 1991, which includes Sainte Suzanne.

Teen Mission Trip Date

The summer Teen Mission Trip will take place June 16-23, 2018.

Transportation

Transportation to Sainte Suzanne, Haiti will begin with a commercial flight from Tampa to Miami. From Miami we will fly directly to Cap Hatian, Haiti. Once in Cap Haitian the group will travel by vehicle(s) about an hour to Sainte Suzanne. During the majority of our trip we will travel by foot. Walks will range in distance from 1-5 miles a day along unpaved roads or trails with steep inclines and descents. We will return to Tampa the same as we arrived by vehicle and commercial flight.

Housing

Participants will be housed on the grounds of St. Suzanne Church. Males will stay in the rectory and females will stay in the mission house.

Electricity

The rectory and mission house space is wired for electricity. Should power be lost, a generator is available during the evening hours when the teen mission group is on the grounds.

Food

Participants will be provided meals by our host(s). The food will be from local gardens or markets in the village or nearby areas. A typical breakfast would be eggs, sausage, fresh fruit and toast. A typical lunch would be vegetables, fruit, and bread for a simple sandwich. A typical dinner would be vegetables, rice, and a meat.

Water

The rectory and mission house have cisterns on the roof which provide running water for the bathrooms. Sanitized water, along with soap, is provided near the eating area to clean hands before meals. Bottled drinking water is provided to drink. Participants will be required to bring a reusable water bottle to have on hand when away from the church grounds.

Immunizations & Medication

Routine vaccines should be up to date with DPT, flu shot, MMR, etc. Typhoid, Hepatitis A and Hepatitis B are recommended. A prescription for malaria prevention is also recommended. Traveler's diarrhea medication is an option as well. Talk to your doctor and discuss the options available for each of these recommendations.
